With your partner, record all the following statements. Use iMovie.

Export your file as “Mobile” (480x272). Duplicate the file, and rename it using your partner’s name, so that each person has a file to hand in.

Work in pairs to discuss the following questions.

- 1 What are your favourite and least favourite foods?
- 2 What did you eat the last time you invited a friend for a meal?
- 3 Do you prefer eating at home or in a restaurant? Why?
- 4 What special dish from your country would you recommend to a visitor?
